200 x 320cm / C 43C

300 x 400cm / PWT 300

250 x 350cm / PWT 250

200 x 300cm / PWT 250

'I have an antique persian carpet at my home, which I still find the best carpets to have. The idea behind the carpet was to build a bridge between the old and the new, east meets west. I came up with the idea to stretch the carpet at a certain point. I found out it's very important where to start the stretching. On the traditional side I kept the fringes on the contemporary side I made a clear cut.'

Richard Hutten

Material	wool, cotton, silk
Technique	handknotted
Density	275.700 knots/m ²
Weight	5,00 kg/m ²
Height	1,2cm
Limited edition	7 + 1 Ap
