# QUADRI LUMINOSI

Design by Paolo Giordano & Ouwen Mori

'Quadri Luminosi' is a limited edition of supermirror shelves with a luminous graphic design which runs around it. The metal materials, stainless steel supermirror and polished copper reflect the ambience in which they are hung, thereby creating different levels of perception. The 'Quadri Luminosi' are shelves designed for showcasing fashion accessories or small objects in the domestic environment, becoming artistic 'shrines' to the things we collect and love.

**materials** : stainless steel sheeting in supermirror, polished copper sheeting, neon tubing.

**dimension**: 80x80x25cm

**Limited Edition di 7 pieces+AP**
